

Virtual ACCS Careers Day

Date: Tuesday 14 September 2021

This event aims to provide information, inspiration and advice to doctors considering or planning to apply for specialty training via the ACCS route (including Emergency Medicine, Acute Medicine, Anaesthetics and Critical Care).

Who should attend? Foundation year doctors, clinicians with less than 24 month clinical experience interested in a career in acute care specialties.

Event objectives:

- to understand the ACCS application process
- to learn about the ACCS programme from current trainees and consultants in these specialties
- to offer participants a chance to get an answer to specific questions
- to look at how to maximise your potential and polish your portfolio
