

The background of the book cover is a stylized, high-contrast illustration of a London street scene at dusk or dawn. The sky is a deep, fiery red with dark, swirling clouds. In the center, the Gherkin skyscraper stands out prominently, its glass facade reflecting the ambient light. To its right, the Shard is visible, its sharp, tapering form reaching towards the sky. The foreground shows a wet, reflective street with a red double-decker bus on the left, its headlights glowing. Silhouettes of trees and street lamps are on the left, and the outlines of buildings are on the right. The overall mood is mysterious and urban.
