

The book cover features a complex, repeating geometric pattern of concentric squares and triangles in black and white, creating a strong sense of depth and perspective. The pattern resembles a stylized, abstract landscape or a series of nested frames. The text is arranged in a clean, modern layout, with the author's name at the top, the title in the center, and the edition information below it. A small silhouette of a man in a hat is positioned at the bottom center, adding a human element to the abstract design.
