GLOBAL IMPACT & INTERNATIONAL SERVICE

FOR OVER 8 YEARS the LadyLike Foundation has made a global impact in Ghana West Africa by funding the Education, Boarding, and Medical care of teenage girls at the Mountain High International School. They also have built a bathroom, shower house, and beds for all of the orphans at the Obosomso Orphanage in Obwasi. In addition to making the living conditions better for orphans, the Ladylike Foundation has purchased medical insurance for each child at the Obosomso Orphanage, giving them access to free medical care.

In March 2019, the LadyLike purchased a van to help Yes We Can Worship center pick up women, children, and teenage girls off the streets of Los Angeles to place them in housing.
