

swile

Your new mobility benefits

What is mobility?

It's a benefit offered by your company to finance part of your home-work commute.

Here are eligible means of transport. 🚗

Public transportation
(bus, métro, tram)

Bicycles, scooters...
(purchase and maintenance)

Shared mobility
(Cityscoot, Lime...)

Carpooling
(passenger or driver)

Taxis and VTC services (Uber, Bolt, Freenow ...) are not eligible.

Combine ways to commute

Example: Marie is credited €50 in mobility benefits every month..

She can get reimbursed for 50% of her public transport pass
(€35 / mois)

And also take a Lime scooter when there's good weather with the remaining balance
(€15 / month)

Your mobility benefits are valid for a calendar year. This means that any balance paid in 2021 will expire on 31/12/2021.

swile

Two ways to spend your benefits

Pay with your Swile Card

In stores or online, choose from more than **8 000+ merchants**:

- Public transport
- Bike shops
- Self-service bike and scooter apps
- Carpooling sites and carsharing services

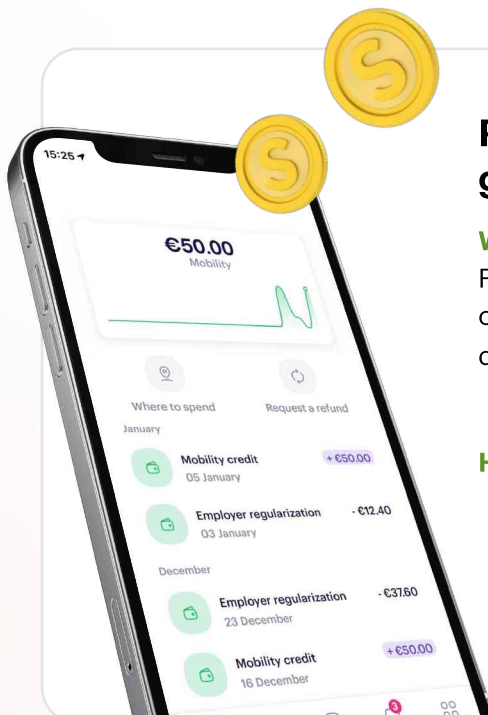

dott

Cityscoot

VELOLAND

Pay with your bank card, get reimbursed

When?

For purchases paid with your personal bank card, or for your transport subscriptions debited from your bank account.

How does it work?

- Upload your receipt on the Swile App.
- The amount of your purchase is debited from your mobility wallet, then credited to your personal Swile account.

Special case: public transport passes

Your company only finances part of your subscription. You'll have to link your personal bank card to your Swile Card to pay for your full subscription. The employer's share will be pulled from your mobility wallet, and the rest from your bank account.

swile

Stay breezy! And get reimbursed

When?

- **You pay upfront with your bank card**
For example, in **general sporting goods stores** (Décathlon, Go sport, Carrefour...) where you cannot pay directly with your Swile Card.
- You pay for your transport subscription by **automatic bank debit**.

How?

- 1/ Download the Swile App.
- 2/ From your Mobility wallet, click on **Request a refund**.
- 3/ Enter the information and attach **your invoice**.
- 4/ Get your refund on your personal Swile account within **48 hours** (your mobility wallet will be debited for the same amount).

[More info >](#)

If your bill is more than your balance, you will be reimbursed every month until it is paid in full.

Example: You buy a bike for €300 in January and your company credits you €50 every month. For 6 months, your mobility wallet will be debited €50 to re-credit your personal Swile account.

In order to guarantee the best experience for our users, we are expanding our network every day with new brands, big and small.
