

My Salah Connection!

Salah is our special way to talk to Allah, the One who created everything! It's like a secret phone call where we can thank Him and tell Him about our day. When we pray, our hearts feel calm and happy, and we feel super close to Allah!

Draw or color what you imagine feeling when you talk to Allah during Salah!

(Maybe joy, peace, or gratitude!)

A set of five horizontal lines, intended for a child to draw or color their feelings during Salah.

Parents: Talk with your child about their favorite part of Salah and how it connects them to Allah. May Allah bless your efforts!
