

Love's Beginning

~Gurumayi Chidvilasananda

Shubh Deepavali! Nutan Varshabhinandan!

A new year

Infinite cheer

The vastness of the Guru's grace

Magnificent *mahaprasad*

Within is blue light

Without is blue sky

Loneliness fades, familial feeling—

this is love's beginning

Everywhere a celebration

Joy's eternal rejuvenation

Everything in sight is fresh and flourishing

In every soul, happiness abounding
