About CLAT Exam

The Common Law Admission Test (**CLAT**) is a national level entrance exam for admissions to undergraduate (UG) law programmes offered by 26 National Law Universities in India. **CLAT** is organized by the Consortium of National Law Universities, comprising representative universities. Several affiliate universities and organisations also use the **CLAT** exam for admissions and recruitment respectively.

Introduction and Overview

The **UG-CLAT 2024** would focus on evaluating the comprehension and reasoning skills and abilities of candidates. Overall, it is designed to be a test of aptitude and skills that are necessary for a legal education rather than prior knowledge, though prior knowledge occasionally may be useful to respond to questions in the Current Affairs including General Knowledge section. The **UG-CLAT 2024** shall be a **2-hour test**, with **120 multiple-choice questions** carrying **1 mark each**. There shall be negative marking of 0.25 marks for every wrong answer. These questions would be divided across the following 5 subjects:
