

1. EXT. DAY

We open with a front door - the title 'One Minute Romance' hovers in front of it. It disappears when a hand goes to knock on the door. We see Daisy open the door. Standing at the door is Mike, dressed smartly with flowers in hand.

MIKE

Hi. I know you don't know me and this may seem a bit forward but would you like to have dinner...now?

DAISY

(casually) Okay

2. INT. DAY

Mike and Daisy sit at an already made table. It is covered with food and candles.

MIKE

Were you expecting someone else?

DAISY

No, you'll do fine.

Daisy begins to eat her meal.

MIKE

I have something to ask you...

DAISY

...Daisy...

MIKE

...Daisy. I still feel the same way I did when I first looked into your eyes. Since then I've wanted one thing and one thing only. Will you be my girlfriend?

DAISY

(looking shocked at first but then happy)

Yes! Yes I will!

Mike and Daisy kiss across the table. They return to their seats and begin to eat. Mike, however, eats his spaghetti

with his mouth open. This progressively aggravates Daisy until she snaps.

DAISY
I have something to tell you...

MIKE
...Mike...

DAISY
...Mike. I think you're a lovely guy
but I just don't think we're going to
work out.

MIKE
Are you...?

DAISY
I'm sorry

Mike tries not to cry and storms out the room. Daisy is left alone for some time. Mike comes back in the room.

MIKE
You're a shit cook.

Mike exits the room.

The End.
