## PERSONAL PROFILE:

After graduating as a professional make up artist, I acquired an extensive experience in the media and fashion industry , working mainly on music videos, commercials and photoshoots, fashion and beauty events. I see the make up as an evolution of art, self expression and communication. I have always been interested and passionate about all aspects of it focusing on increasing my experience and knowledge by welcoming the opportunities within the field.

## PROFESSIONAL EXPERIENCES

### Beauty and fashion from 2018 untill now

Currently Makeup artist for the beauty agency My Beauty Squad. Makeup application on clients for different occasions, natural and party looks with lashes application, Brides.
