Personal Profile: I have five years of experience on a range of filmmaking projects and in that time I developed a broad transferable skillset. I possess the creativity to build a concept and bring it to completion, I thrive in the organisational and logistical aspects and as an I can work to schedule and manage a set. I pride myself on my adaptable nature and faultless work ethic.

I recently co-founded a production company, Blend Films Ltd, specialising in music promos and narrative filmmaking.
