Industry References

"She was a University student, at the time, her attention to detail, from writing a casting notice to completing a call sheet was a huge help, and made a great impression on the senior staff. I would recommend Abbie for any professional job, she is top-notch, she handles stress well, and always has a smile."

- Stewart Montgommery Groves [Woodcut Media]

"Multi-talented in front of and behind the camera, when Abbie's on the team you just know everything's not only going to be all right, it's going to be great!"

- Sharon Holloway [Vintage Hair Lounge]
