

# MOLLY WISE

1<sup>st</sup> AD

## PROFILE

Have just finished working as 1<sup>st</sup> AD on a five-week shoot for "Save Luna," an interactive film commissioned by Netflix-backed app, Whatifi.

A graduate of the Arts University Bournemouth Film Production course. While there, undertook a variety of roles in the production department and won the Nicholas Durbridge prize for work on graduation film.

Driven and willing to go the extra mile. Enthusiastic, personable, professional.

## SKILLS/AWARDS

- First Aid Certified
- Valid, clean UK Driver's License
- Adept in Adobe CS, Microsoft Office, and various presentation platforms.
- Certificate in Coronavirus Basic Awareness on Production
- Written articles on film for My First Job in Film and WhatCulture.
