

# MILLIE WARD

## EDUCATION

June 2021

**BA (Hons) Digital Animation. Bath Spa University**

June 2018

**A-Levels. Lord Williams School, Oxfordshire**

- Art
- Media
- Psychology

## WORK EXPERIENCE

September 2018 – July 2021

**Student Ambassador - Bath Spa University**

Assisting with various university events including open days, explaining courses and functions, giving tours to the general public, answering questions from prospective students.

September 2020 - February 2021

**Animator – Bath City Farm**

Creating an animation for Bath City Farm. Animated and directed a 2D short film for Bath City Farm to raise awareness of the farm as well as educate audience members on the benefits and importance of bee health and bee keeping. Liaised with client on project requirements, created a script, storyboard, animatic and full animation based on the brief given, client feedback as well as extensive research into the topic.

2020 - present

**Graphic Portraits – Commissions**

Reinterpretation of photographs into personalised, creative, graphic portraits.

June 2019 - June 2019 (Four Day Event)

**Installation Assistant - Holbourne Museum**

Assisting the general public and groups of school children play a Virtual Reality program as well as explaining the creative process and the artifacts included in the exhibition.

2015-2020

**Various roles** - including hospitality, catering and retail sales which has given me experience with team working, customer service and complaint resolution. Jobs held at companies including Cavendish Events, Bicester Village and W H Smith.

MILLIE WARD

## ANIMATOR

2D animator and concept artist who enjoys the occasional 3D modelling. I am particularly passionate about colour, character and environments.

## FILMS

**Bath City Farm – ‘Beekeeping and Bee Health’**

**Grad film – ‘Wanted’**

*Synopsis:* Through the pages of a neo-western comic, we follow Ayla, a thief fleeing far and wide from the elusive bounty-hunting cyborg cowboy.
