I authorise you to hold this sensitive data about me in line with the GDPR regulations for the purpose of recruitment and/or partnership working.

I am a driven videographer, photographer and editor aiming to work with market leading companies to promote their products and brand as impactfully as possible. Creatively driven with a camera and with talent. I have worked with multiple clients to film, create and share videos through social media by building their content from scratch to their specifications.

## Relevant Experience

### Content Creator

Mi Tea  
01/12/21

I produced a commercial introduction video for their new product.
