MY MOTIVATION

During my time in the UK, I am determined to contribute back to the UK economy and culture, become financially independent to provide for myself and my family. As an individual I have always been self-sufficient and I am hopeful that I will be able to continue my development both personally and professionally despite the current situation in Ukraine. I have a strong-minded character so I firmly believe that I can create a positive outcome and become a valuable member of a team or company here in the UK.
