

Naomi Knight

MAKEUP ARTIST & WIGMAKER (SHE/HER)

Background Summary

I am an incredibly driven individual who is always keen to learn and become my best self, thus making me very adaptable and versatile. I am very compassionate and always want to help others; as a result of this, I excel in the role that best suits the needs of the team. Due to my background in beauty therapy, I am very caring, organised and efficient. I also currently work part-time in a kitchen and have previously worked as a cleaner so I am incredibly clean and am regularly recognised as being so. Located in Devon but available for national & international travel as I have a full, clean UK driving license and passport, car and I am fully vaccinated.
