## ABOUT

Former IT specialist with extensive experience in data storage, backup and recovery from over 20+ years working in corporate IT. I have worked as an electronics engineer servicing TV and Video equipment plus a freelance press photographer. Technically very capable, and accustomed to working to tight deadlines. And can offer production teams the support they need to ensure projects run without technical delay. Full Clean UK Driving Licence and over 25 years old with UK Passport.

## SKILLS & EXPERIENCE

Expert knowledge of Mac, Linux, Microsoft with a proven ability to troubleshoot problems. Deep understanding of file formats, video standards, networking and connectivity. Studied HND Digital Photography and have an eye for detail and identify video issues.

Former Career as an Electronics Engineer servicing TV and Video equipment since 1986. IT systems engineer for HP, Seagate, Veritas, Citrix, Acronis, 1989 to 2004. Self Employed Photographer since 2010.

Camera Experience with ARRI Alexa XT, Mini, SONY Venice, SONY AS7, SONY FX9, RED Dragon, GoPro, DJI Mavic Drone  
Software Experience with Davinci Resolve, Adobe Premiere Pro, AVID, Photoshop, Silverstack XT LAB, LiveGrade Pro, ShotPut Pro.
