The music starts playing and we hear 19th century classical music, romantic era melodies with enchanting expressions.

FADE IN

INT. DANCE STUDIO - DAY

ALORA (20) is practising her ballet performance routine. She has gorgeous clear skin, her hair is french braided into a ballet bun and she is wearing an ethereal dress.

As she flows through the melodies to the music, the music gets louder and her moves become really dramatic. Her face light's up. In between her steps her breathing becomes more heavy.

MANIA (40) Alora's mum, is attentively watching the performance from a chair in the corner of the room, nodding and swaying her head with the music. She is smartly dressed for the occasion, with a silk blouse and wide leg trousers. Her hair is tied in a sleek bun.

Mania notices Alora's breathing getting ragged..

MANIA

Let's take a rest now--

MUSIC OUT

Mania looks at her watch and checks the time.

MANIA

Alora, I'm so sorry I forgot,
you need to take your medicine.

Mania hands Alora her pill and water. Alora takes the medicine and resumes her starting position.

MANIA

Are you feeling okay to continue?

ALORA

I'm fine now, if I do feel anything,

I'll let you know.

Mania restarts the music. Alora focuses and poses herself. Mania counts her in...

MANIA

CUT: INTERIOR DANCE STUDIO - Later

It's darker now, Alora and Mania gather their things (pointe shoes, water bottle, gym bag, towel etc.

Alora starts coughing violently. Mania rushes to get an oxygen mask and the tank, and puts it over Alora's face.

MANIA

Okay breathe ... and out
Breathe in and out.

Alora breathes in and out deeply a few times. She closes her eyes for a moment and nods, removing the mask.

They walk towards the exit. Alora looks weary, Mania carries the tank and supports Alora's arm.

INT. Alora's BEDROOM - EVENING

Alora looks at herself in the mirror and sighs. Then starts to cough. She coughs into a tissue, revealing blood. She reaches under her bed and pulls out her old camcorder, then she leaves that to one side and she reaches again, pulling out an old shoe box and opens it. The box is full of bloody tissues. Alora adds the tissue from her hand to the pile --

From Off Screen

MANIA

Before Bed, do you need anything?

Alora freezes for a beat

ALORA

I'm fine

From off screen

MANIA

Okay then, good night.

Alora

Goodnight.

Alora looks at the tissue paper, then closes the box and tucks it away.

INT. DANCE STUDIO - DAY

Alora is rehearsing her routine without music. She wears a long-sleeved fitted top and wrap skirt over a leotard and tights with ballet pumps. Her hair is in a dishevelled bun.

Mania watches carefully, observing each step. She's wearing athleisure wear; leggings, fitted top and trainers.

Alora keeps making mistakes. Mania notices her struggling, and walks over to Alora, interrupting her by putting a gentle hand on her shoulder. They look at each other for a moment, Alora nods and sighs.

Slow pan to side and back

INT. DANCE STUDIO - DAY - CONTINUED

Alora is now mid routine practising again. She is still making mistakes, this time she becomes more breathless she starts to become paler. MANIA notices her breathing and her paleness, just when Mania is about to say stop, Alora falls to the ground.

INT. Alora's BEDROOM - EVENING

Alora is asleep in bed under the covers, an oxygen mask is over her mouth and nose. Mania sits on the edge of the bed next to her, facing away. She looks tired with sore red eyes.

Alora wakes up slowly.

MANIA

I'm sorry, I should've stopped you sooner.
I can't bear to look at you like this.
I wish you would stop--

Alora interrupts her abruptly.

ALORA

Mum no I don't want to stop.
I have already accepted this is how
it's gonna be for me when
I found out...

MANIA

It still hurts to see you like this,
But all I can do is make your last wish come true.

Alora hugs Mania, and puts her head on her chest as Mania runs her hands through Alora hairs to make her feel safe.

ALORA

Sorry mum and thank you.

INT.DANCE STUDIO - DAY

Alora & Mania arrive at the studio in their casual wear. Outside the door, JULIET (20s) is packing her bag on the floor.

Juliet is wearing casual ballet wear in blues and greens. She wears heavier make up than Alora and is wearing more jewellery. Her hair is in a loose bun, with fly-aways.

Juliet looks up, noticing Alora and Mania first. She stands as she speaks.

JULIET

Hello Alora, it's surprising to
see you here, I never thought I'd
be running to you.

ALORA

Hi JULIET, it's been awhile-

JULIET

Yes of course, it's lovely to see you
again, I heard about your condition
it must be really hard for you.

Alora reacts with a subtle eye roll and a curt response

ALORA

Sorry but I have to go, I'm rehearsing the ending act for the show.

Juliet looks at her really confused and stops her.

JULIET

Alora wait, what do you mean the
the ending act? Will you even be able to make it?

Alora looks at her really confused manner. Juliet gets a leaflet from
her bag and gives it to Alora.

JULIET

See for yourself

Before she leaves Juliet smiles sly and mischievous, hinting it like
a joke and leaves out the entrance, then Alora opens the leaflet and
sees Juliet playing her and Alora is the understudy.

After seeing the leaflet, she starts to feel dizzy, and suddenly she
falls to the ground.

Is. My life will be never be the same
Without you, but I'll be
Watching you over as
I carry you in my heart forever.

done for me.

Well you will see me shine bright today.
Love you.
