SUMMARY

I am a creative video editor, with current experience in editing films as part of my Master's Degree in Post Production Editing, I also have experience in creating training videos and social media content. I'm mainly looking for Video Editor roles but I also have other skills within the preproduction and production roles. I am excited at the prospect of creating new content and learning hands-on within my field of interest.

Having previously worked in a small scale studio I also have experience filming videos including green screen operation. .
