## SUMMARY

I consider myself as a highly skilled composer, arranger, and musician, showcasing my extensive experience across various musical domains. Noteworthy achievements include composing soundtracks for film and video games, collaborating with esteemed composers for TV shows, and crafting orchestral compositions and arrangements. Additionally, my roles as a piano and choir teacher, along with directing choirs and ensembles, have enriched my musical journey. I take pride in my recognition and education in music composition, coupled with my proficiency in technical and artistic skills. Overall, my CV reflects my dedication and versatility in the music industry, demonstrating a passion for excellence in every endeavor.
