

## Sponsorships - July 20, 2024

Blue Moon is an exciting premiere and networking event for South West filmmakers run by team-forming platform Tabb.

Returning to Bristol in 2024, 300 filmmakers are expected to take their seats to watch the South West's rising talent premiering their short films on Bristol Aquarium's huge 19m x 15m screen, with more joining for the networking and after-party following the screenings.
