

JAKOB WEBB

DIRECTOR OF PHOTOGRAPHY
& LIGHTING DEPARTMENT

WORK EXPERIENCE

Gusto Film - Production Company
Falmer, East Sussex
18/09/23

Role: Gaffer Assistant

Creative interviews with multiple scientists about their fields. I communicated with crew such as the Director, DOP & Gaffer to identify what was required for their vision. I was confident in setting up soft boxes, coloramas, lens switches, c-stands and various light setups. At the end of the shoot I packed up lots of gear.

Heilung Music Show - Eventim Apollo
Eventim Apollo Venue - London
14/01/23

Role: Camera Trainee

A very creative shoot with viking band "Heilung". On this shoot I assisted with K35 lens switches, setting up tripods and labelling cameras.

Elderflower Fields Festival (2022 & 2023) - Video Production
Pippingford Park, Sussex
26/05/23 – 29/05/23

Role: Video Production, Camera Operation

A three day shoot for the festival. I filmed various performing musicians on stage, organised filming with influencer families and created various edit drafts for the festivals needs.

Swarmed - God of Gods music video - Empire film studio
01/10/23

Role: Camera Trainee

A great shoot with metal band 'Swarmed' and an industrial location. I assisted with lens switches, lighting placement and moving equipment
