ABOUT ME

Award-winning filmmaker and cinematographer based in the South-West of the UK. Highly driven with a passion for creating impactful and empowering environmental documentaries. Experienced working with A-list presenters and large NGOs to deliver important messaging about the issues the world is facing.

EXPERIENCE (DOCUMENTARY)

Birds Beyond Borders (in production) - Camera and Drone Operator

A documentary using bird migration to explore our connection to the natural world as it grows threatened by climate change & ecological collapse. Narrated by Chris Packham.

The Tales Of Cetus (2024) - Producer, Director, Camera, Sound, Editor

A documentary that follows both artist and environmentalist in their fight against plastic pollution. A Beach Guardian mission statement. Narrated by Jo Ruxton MBE.

Forgotten Fibre (2023) - DOP

Winner at The British Documentary Film Festival, Bolton Film Festival, Covent Garden Film Festival and RTS West Of England Awards. A short documentary revealing the forgotten potential of wool in the textile industry, and the industry's urgent need for sustainable solutions.

A Toxic Stream (2022) - DOP

A short vox pop mini-doc from the Bristol high street about the impact of the fast fashion industry and people's opinions on second hand shopping.

Cop-Out (2021) - Camera Operator

A documentary exploring young people's attitudes and actions towards the Conference of the Parties as COP26 comes to Glasgow, Scotland.

Behind The Postcard (2021) - Camera and Drone Operator

A unique collaborative project involving hundreds of creative practitioners and community participants in response to Cornwall hosting the 2021 G7 Summit.

The Container Spill Crisis (2020) - Writer, Director, Camera, Editor

A short documentary exploring the unexpected impact of our overconsumption after a container spill causes thousands of sanitary products to wash up on the North Devon coast.

The Rising Tide Of PPE Pollution (2020) - Writer, Director, Editor

Best Short Documentary at London Arthouse Film Festival. Finalist at London Eco Film Festival. A short documentary from the peak of the Covid-19 pandemic highlighting the rise of littered face masks on streets and in our oceans. Commissioned by Greenpeace.
