The phone pings and he lifts it into frame and the text appears on screen letter by letter.

(On screen text)

Hey, how you doing?

Character 1 begins typing.

(On screen text)

Fine, just got up and eaten about  
to start work.

Continues to look at phone and some time is taken before new text appears.

(On screen text)

Me too, how's the break treating  
you?

Smiles while reading, then begins typing.

(On screen text)

Good had a load of ideas about  
projects.

Looks off while waiting for text.

(On screen text)

You actually gonna work on them  
or are they in all in the idea  
stage.

Starts to look slightly pissed off but knows what he is reading is true.

(On screen text)

I still need time to research, I  
just don't know enough.

Puts down phone and looks at screen in front of him waiting for response the phone eventually pings and he picks it up and reads.

(On screen text)

I think you know enough already,  
Gotta go see ya.

Begins typing.

(On screen text)

Bye.

Puts down phone and sighs, then focuses on computer screen and begins working.

CUT TO:

MEDIUM FULL SHOT LEVEL WITH BACK OF HEAD IN TIME LAPSE FORM.

He continues to work for some time.

FADE TO BLACK.

CUT TO:

Character 1 finishes of what there reading clicks to open up  
discord and answers call.

CHARACTER 1

Clicks off discord and starts reading though the internet  
follow mouse.

(Voice through  
discord)

Hey.

CHARACTER 2

(Voice through  
discord)

Hey, how you doing?

CHARACTER 1

(Voice through  
discord)

Fine, how've you been?

CHARACTER 2

(Voice through  
discord)

Ah good, just been doing a bit of  
work reading a few things, you  
started writing any of those  
ideas yet?

CUT TO:

## FULL SCREEN RECORDING MOUSE IS STILL

CHARACTER 1

(Voice through  
discord)

Nah, still trying to figure a few  
things out, just need more time.

CHARACTER 2

(Voice through  
discord)

Just get over that, you have  
these completely plotted out, you  
don't need more time to do  
research you need to actually  
write or you wont get better.

CHARACTER 1

(Voice through  
discord)

I just don't feel ready.

CHARACTER 2

(Voice through  
discord)

But you are.

CHARACTER 1

(Voice through  
discord)

Well what you up to.

CHARACTER 2

(Voice through  
discord)

Watched a few things, played a  
few games but beyond that not  
much.

CHARACTER 1

(Voice through  
discord)

Same need to actual be productive  
before all this ends.

CHARACTER 2

(Voice through  
discord)

Yeah you do start writing.

CHARACTER 1  
(Voice through  
discord)  
I know, well go to go.

CHARACTER 2  
(Voice through  
discord)  
See yah.

few moments and pulls out phone to see text.

(On screen text)  
hey, what you up to?

Looks of into distance before typing back.

(On screen text)  
Trying to write, you are right I  
need to actually right or else I  
won't actually get better.

Still holding phone but not looking at phone and waits for  
notification, phone pings and he moves phone to in front of  
face and reads text.

(On screen text)  
Good, how much have you done so  
far.

CUT TO:

MEDIUM SHOT IN FRONT OF CHARCATER 1 LOOKING UP.

Reads text holds for a second then begins to respond.

(On screen text)  
Nothing, literally nothing I  
still don't feel ready.

Holds onto phone put takes it out of frame while looking into distance phone notification comes in and he begins to read.

(On screen text)  
Just write, you know what you are  
writing, you have it planned out,  
just write, and write and write  
again.

CUT TO:

MEDIUM SHOT ON RIGHT SIDE OF FACE FROM SLIGHT BELOW.

Once read he looks of into the distance before writing back.

(On screen text)  
Cheers.
