ABOUT ME

As a passionate and versatile professional, I bring a unique blend of creativity, technical expertise, and organisational skills to every project I undertake. With a background in biology and filmmaking, I have a keen eye for detail and a commitment to excellence, whether working in a high-demand kitchen, managing shoots for creative agencies, or producing documentaries. My diverse experience has honed my ability to thrive under pressure, adapt to fast-paced environments, and collaborate effectively with teams. I am dedicated to continuous learning and contributing meaningfully to every role I assume.

EXPERIENCE
