As i said, once I leave I'm not coming back.

Stan opens the front door. He's about to leave then he hears the bedroom door opening. He walks back towards the stairs. Melita throws his wallet down the stairs. His hopes of reconciliation are dashed. He picks up his wallet and puts it in his jean pocket. He turns to leave. Then hears a thud from behind him. He turns around to see his Passport. He picks it up and puts it in his back pocket. Once again heading towards the front door.

## SCENE TEN

Mike and Audrey are sat on some chairs near stan's small coffee table. stan walks in with two cups of tea. He puts them on the coffee table.

STAN  
i'll just get mine.

MIKE  
Sorry bud I should have helped out.

Stan on his way out and under his breathe.

STAN  
No, not at all.

Audrey looks at Mike and gives him a comforting smile. A couple of seconds later Stan walks back in with his cup and a plate of biscuits. he sits on the sofa and spills his tea.

That never happens when it's just  
me by myself. I'm sorry i'm gonna  
get some kitchen towel.

AUDREY  
No, i'll get it. You stay there.

Audrey gets up and walks out of the living room.

STAN  
Everything alright?

Mike smiles awkwardly. Audrey walks back in with some kitchen towel.

AUDREY  
For a bloke your age, you keep the  
place well.

STAN  
Thanks, i think.

Pause. after long pause both Stan and Audrey speak at the same time.

AUDREY  
We saw you earlier at the.....

STAN  
So how's things with your  
Sister.....

Stan drinks his tea and uncomfortably waits for a reply.  
Audrey does the same.

MIKE  
So it's all about the 6th of august  
hey, only a couple of days. Whats  
your predictions for this season.

AUDREY  
That you'll get punched in the  
balls if this conversation  
continues.

Mike holds his mouth and doesn't say a word.

STAN  
You said something about seeing me  
earlier.

Slight pause.

AUDREY  
Yeah I thought i saw you earlier  
but I could have been wrong. Did I?

STAN  
I was visiting my parents, you  
know. Graves, so i was shocked to  
see you there.

Audrey nods holding her tea.

AUDREY  
Look Stan, I know things haven't  
been great for you recently.

STAN  
Recently?

AUDREY  
Yeah, what with my sister and all.

STAN  
Its been half a year and nobody's  
come to see me. I know how awkward  
that first visit might have been  
but you've literally stopped  
calling me. Mike, i thought we were  
mates.

STAN (CONT'D)

I remember you doing exactly the same after melita stopped contact with you.

Slight pause. Stan looking at Audrey.

MIKE

Look Stan....

STAN

I know i'm the one that usually likes a laugh and a joke so maybe you thought i'd be okay. But why didn't you check?

MIKE

Are you okay...Stan?

Long pause. 12 uncomfortable seconds, within that time Audrey decides to tell Stan the truth.

AUDREY

We were visiting my daughter.

Stan looks totally confused.

Louise, her name is Louise Shaw.  
Born and died on this day.

Slight pause.

Back in 1992.

Mike looks at both Audrey and Stan.

MIKE

I'll make some more teas.

Mike leaves the room. Audrey looks at Stan.

AUDREY

Well, it's not like your going to tell Mel now is it?

Stan nods and mentally gradually comes back in the room.

STAN

I wouldn't have anyway?

AUDREY

Really?

Stan thinks for a second.

STAN

To be honest, i don't know. She probably would have guessed something was up....I'm So sorry to....

AUDREY

She has her ways..

Stan nods.

Look, i know things haven't worked out between you two. I still haven't spoken to her. Last thing i heard she went on a long cruise, but that was a few months ago....

Mike walks back with two cups of tea. He places both of them on the coffee table.

When we leave, you've now got some washing up to do.

Stan smiles.

I noticed she started drinking heavily.

STAN

How do you know?

AUDREY

I checked her recycling and noticed lots of rum bottles which were swiftly replaced by red wine bottles.

STAN

That's where my rums went?

Mike smiles.

AUDREY

I then noticed that the recycling bins became empty, so i asked one of her neighbours who said she's gone away on holiday. She then said thank god as she became known for her loud music.

STAN

Loud music, hows that even possible?

AUDREY

Yeah i know right?

Slight pause.

Look i know she isn't your problem anymore and i'm guessing she said some pretty hurtful stuff but...

STAN

I'll always care for her and deep down i know she cares for me. We might not have....

Stan looks at both Audrey and mike.

But i know.....

AUDREY

All those years ago when she came back, who did she turn to, umm?

Stan nods.

STAN

Thats partly true, i happened to be the caretaker at the same school she got the job at. I just think it was convenient for her at the time.

AUDREY

She's a tough cookie but....

STAN

Thats the problem, we all think that so thats how she reacts. I believe there's some softness within that cookie. and i feel she desperately wants to explore that. But she was constantly looking after all of us, especially you.

Audrey nods. pause

I couldn't imagine living without her, she became my mother board so to speak, didn't think i could function without her and for the past half year thats exactly what I had to do.

Slight pause.

Maybe this holiday is what she needed, it worked for her before?

AUDREY

She should have came back over three weeks ago and no-ones seen her.

STAN  
What?

AUDREY  
I know she's alive because we have mutual friends on Polybook and now and again i've manage to see the odd photo. but now she's on a different holiday, i've tried to message her but..... She's constantly drunk and doesn't look good.

Suddenly Stans phone pings. A notification pops up. Instantly Stan runs over to see it. His face is lite by the phone and he is smiling from ear to ear. Mike looks worried. Audrey looks at Mike. Stan realises they are both looking at him.

STAN  
Your right, she's not my problem anymore.

MIKE  
You betting again?

Slight pause.

Stan come on, is that why it's so cold in here?

STAN  
You joking, it's the middle of....

MIKE  
I'm not being disrespectful, i'm just concerned.

STAN  
Now thats a corker! You two come in here after all that time, expecting me to help you?

Audrey gets up.

You know where the door is.

AUDREY  
It's shit, okay. This is a fucking shit situation. We're all going through something and yes your right, why should you care now. We clearly haven't been in your life of recent and I can only apologise about that.

(MORE)

AUDREY (CONT'D)

But the least I can be is  
completely honest with you, I can't  
imagine the loneliness you must  
have gone through. It took me  
becoming extremely worried for my  
sisters safety and you seeing me  
earlier at the cemetery today to  
finally come.

Slight pause.

I really need all the help i can  
get right now.

Audrey starts crying. Stan puts his phone down on the sofa  
and looks at Audrey. Mike goes over to hug Audrey. Camera  
goes black
