ADDITIONAL SKILLS

I create theatre projects, through teaching acting, singing and performing within schools and within my drama academies to children from four years old up to adult. For the past twenty years I have been producing theatre shows both professionally and with local community theatre as an accomplished script writer, director and storyteller. My strengths are character and comedy acting, plus I perform close-up and stage magic, puppetry, and have a passion for improvisation, promenade immersive theatre and create digital productions, film, animation, music and sound.
