Interests.

I really enjoy all aspects of film. I get a massive kick out of being creative, mixed media, music, spoken word, painting and photography. I recently an improv class which was great for sharpening my brain function. I love to travel and have been to some obscure places like China, Cuba and Morrocco these experiences grew me as person increasing my confidence and ability to interact with people from different cultures. I recently started renting an art studio where I have a good creative outlet.
