Production Fixer with over a decade of experience supporting international productions and media projects in Ukraine, having worked on more than 60 projects across television, documentary, commercial and print media. Graduate of the All Set West training programme, with recent UK experience in the Sustainability and Locations departments on HETV productions and independent films. Experienced in production support, logistics, research, coordination and on-the-ground problem-solving. Reliable, well organised and proactive, with a collaborative approach, excellent attention to detail and a strong team ethic.

Key Skills:

- Production support, including administration and paperwork, cost tracking, shoot coordination and production logistics
- Travel and accommodation arrangements, including bookings, itineraries and coordination
- Location support, including on-set assistance, securing filming permits, and liaising with locations, suppliers and local authorities
- Research and information gathering, supporting production teams across a range of productions
- Contributor, cast and crew support, including access, coordination and on-the-ground assistance
- International production experience, with the ability to work effectively within cross-cultural teams
- Knowledge of on-set sustainability practices, with recent experience supporting the Sustainability Department on a UK HETV production
- Strong communication, organisational and interpersonal skills, with excellent attention to detail
- Flexible, reliable and enthusiastic team player with a strong work ethic, positive can-do attitude and excellent problem-solving skills
