

Revision Number: 008.0

## 1. PRODUCT AND COMPANY IDENTIFICATION

Product name:

Silver Grade A Product type/use: Lubricant Restriction of Use: None identified Company address: Henkel Corporation One Henkel Way Rocky Hill, Connecticut 06067

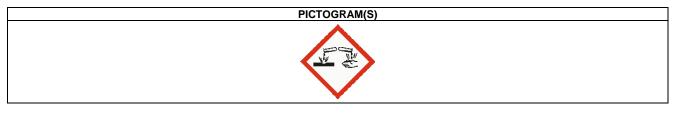

LOCTITE LB 8150 SV A/S known as Silver Grade Anti-Seize Lubric Lubricant None identified IDH number: 235005 Item number: 76764 Region: United States Contact information: Telephone: +1 (860) 571-5100 MEDICAL EMERGENCY Phone: Poison Control Center 1-877-671-4608 (toll free) or 1-303-592-1711 TRANSPORT EMERGENCY Phone: CHEMTREC 1-800-424-9300 (toll free) or 1-703-527-3887

Internet: www.henkelna.com

## 2. HAZARDS IDENTIFICATION

|         | EMERGENCY OVERVIEW         |
|---------|----------------------------|
| DANGER: | CAUSES SKIN IRRITATION.    |
|         | CAUSES SERIOUS EYE DAMAGE. |

| HAZARD CLASS       | HAZARD CATEGORY |
|--------------------|-----------------|
| SKIN IRRITATION    | 2               |
| SERIOUS EYE DAMAGE | 1               |

#### **Precautionary Statements**

| Prevention:           | Wash affected area thoroughly after handling. Wear protective gloves, eye protection, and face   |
|-----------------------|--|
| Response:             | protection.<br>IF ON SKIN: Wash with plenty of water. IF IN EYES: Rinse cautiously with water for several<br>minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If skin irritation<br>occurs: Get medical attention. Take off contaminated clothing. |
| Storage:<br>Disposal: | Not prescribed<br>Not prescribed   |

Classification complies with OSHA Hazard Communication Standard (29 CFR 1910.1200) and is consistent with the provisions of the United Nations Globally Harmonized System of Classification and Labeling of Chemicals (GHS).

See Section 11 for additional toxicological information.

## 3. COMPOSITION / INFORMATION ON INGREDIENTS

| Hazardous Component(s)                                 | CAS Number | Percentage* |  |
|--|------------|-------------|--|
| Distillates (petroleum), hydrotreated heavy naphthenic | 64742-52-5 | 30 - 60     |  |
| Graphite   | 7782-42-5  | 10 - 30     |  |
| Calcium oxide  | 1305-78-8  | 10 - 30     |  |
| Aluminum not powder, dust or fume                      | 7429-90-5  | 5 - 10      |  |
| White mineral oil (petroleum)                          | 8042-47-5  | 1 - 5       |  |
| Quartz (SiO2) respirable particulates (RCS) >=10%      | 14808-60-7 | 0.1 - 1     |  |

\* Exact percentages may vary or are trade secret. Concentration range is provided to assist users in providing appropriate protections.

IDH number: 235005

| 4.                                 | FIRST AID MEASURES   |
|------------------------------------|--|
| Inhalation:                        | Move to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Get medical attention.                                   |
| Skin contact:                      | Remove contaminated clothing and footwear. Immediately flush skin with plenty of water (using soap, if available). Get medical attention. Wash cloth before reuse. |
| Eye contact:                       | Immediately flush eyes with plenty of water for at least 15 minutes. Get medical attention.  |
| Ingestion:                         | Do not induce vomiting. Never give anything by mouth to an unconscious person. Get immediate medical attention.  |
| Symptoms:                          | See Section 11.  |
| 5. F                               | IRE FIGHTING MEASURES  |
| Extinguishing media:               | Foam, dry chemical or carbon dioxide.  |
| Special firefighting procedures:   | Wear self-contained breathing apparatus and full protective clothing, such turn-out gear. In case of fire, keep containers cool with water spray.                  |
| Unusual fire or explosion hazards: | None   |
| Hazardous combustion products:     | Oxides of carbon. Toxic and irritating vapors.   |
| 6. ACCII                           | DENTAL RELEASE MEASURES  |

Use personal protection recommended in Section 8, isolate the hazard area and deny entry to unnecessary and unprotected personnel.

Environmental precautions:

**Clean-up methods:** 

Do not allow product to enter sewer or waterways.

Refer to Section 8 "Exposure Controls / Personal Protection" prior to clean up. For small spills wipe up with paper towel and place in container for disposal. For large spills absorb onto inert absorbent material and place in sealed container for disposal.

# 7. HANDLING AND STORAGE

Handling:

Use only with adequate ventilation. Prevent contact with eyes, skin and clothing. Do not breathe vapor and mist. Wash thoroughly after handling. Keep container closed.

Storage:

Keep in a cool, well ventilated area.

## 8. EXPOSURE CONTROLS / PERSONAL PROTECTION

Employers should complete an assessment of all workplaces to determine the need for, and selection of, proper exposure controls and protective equipment for each task performed.

**Engineering controls:** 

**Respiratory protection:** 

Eye/face protection:

exposure limits. Use NIOSH approved respirator if there is potential to exceed exposure

Provide adequate local exhaust ventilation to maintain worker exposure below

Safety goggles or safety glasses with side shields. Full face protection should be used if the potential for splashing or spraying of product exists. Safety showers and eye wash stations should be available.

Skin protection:

Use impermeable gloves and protective clothing as necessary to prevent skin contact.

## 9. PHYSICAL AND CHEMICAL PROPERTIES

limit(s).

## **10. STABILITY AND REACTIVITY**

| Stability:                           | Stable under normal conditions of storage and use.                                       |
|--------------------------------------|--|
| Hazardous reactions:                 | None under normal processing.  |
| Hazardous decomposition<br>products: | Oxides of carbon. Irritating organic vapours.  |
| Incompatible materials:              | Strong oxidizing agents. Acids. Water. Alkalis. Hydrogen fluoride. Phosphorus Compounds. |
| Reactivity:                          | Not available.   |
| Conditions to avoid:                 | Keep away from heat, ignition sources and incompatible materials.                        |
|                                      |  |

### **11. TOXICOLOGICAL INFORMATION**

Relevant routes of exposure:

Skin, Inhalation, Eyes, Ingestion

#### Potential Health Effects/Symptoms

| Inhalation:   | May cause respiratory tract irritation. Abrasion of cured material such as by sanding or grinding<br>could release respirable particles of silica quartz, a cancer hazard by inhalation. Normal use of<br>this product causes no such release. |
|---------------|--|
| Skin contact: | Causes skin irritation.  |
| Eye contact:  | Causes serious eye damage.   |
| Ingestion:    | Not expected under normal conditions of use. May cause gastrointestinal tract irritation if swallowed.   |

| Hazardous Component(s)                                 | LD50s and LC50s   | Immediate and Delayed Health Effects   |  |

## 12. ECOLOGICAL INFORMATION

Ecological information:

Not available.

## **13. DISPOSAL CONSIDERATIONS**

#### Information provided is for unused product only.

Recommended method of disposal:

Follow all local, state, federal and provincial regulations for disposal.

### **14. TRANSPORT INFORMATION**

The transport information provided in this section only applies to the material/formulation itself, and is not specific to any packaging.

#### U.S. Department of Transportation Ground (49 CFR)

Proper shipping name: Hazard class or division: Identification number: Packing group: Not regulated None None None
