UPDATED: JULY, 2020

This Cookie Policy explains how Talend and its group companies (collectively “**Talend**”, “**we**”, “**us**”, and “**ours**”) use cookies and similar technologies to recognise you when you visit our websites at Talend.com (“**Websites**”). It explains what these technologies are and why we use them, as well as your rights to control our use of them.

## What are cookies?

Cookies are small data files that are placed on your computer or mobile device when you visit a website. Cookies are widely used by website owners in order to make their websites work, or to work more efficiently, as well as to provide reporting information.

Cookies set by the website owner (in this case, Talend) are called “first party cookies”. Cookies set by parties, other than the website owner, are called “third party cookies”. Third party cookies enable third party features or functionality to be provided on or through the website (e.g. like advertising, interactive content and analytics). The parties that set these third party cookies can recognise your computer both when it visits the website in question and also when it visits certain other websites.

## Why do we use cookies?

We use third party cookies for several reasons. Some cookies are required for technical reasons in order for our Websites to operate, and we refer to these as “essential” or “strictly necessary” cookies. Other cookies also enable us to track and target the interests of our users to enhance the experience on our Websites. Third parties serve cookies through our Websites for analytics and other purposes. This is described in more detail below.

The specific types of first and third party cookies served through our Websites and the purposes they perform are described in the table below:

Types of Cookie	Purpose	Who Serves these Cookies	Disabling Cookies
<b>Functionality Cookies</b>	These are basic cookies for the website load balancer and performance tracking.	Talend	These cookies may not be disabled without affecting the functioning of the Websites.
<b>Performance cookies:</b>	These cookies are used to enhance the performance and functionality of our Websites but are non-essential to their use. However, without these cookies, certain functionality like forms may become unavailable.	Marketo cookies used to support Websites forms	You have the right to reject these cookies by clicking on the “Decline” button on the Websites Cookie Banner.
<b>Analytics and customisation cookies:</b>	These cookies collect information about your geographic location and the links clicked, that is used either in aggregate form to help us understand how our Websites are being used or how effective are marketing campaigns are, or to help us customise our Websites for you.	Google Analytics for website usage analytics, links enablement, and visitors’ geo-localisation	You have the right to reject these cookies by clicking on the “Decline” button on the Websites Cookie Banner.

## How can I control cookies?

You have the right to decide whether to accept or reject cookies non-essential to the functioning of the Websites by clicking on the “Decline” button on the Talend website cookie banner.

You can also set or amend your web browser controls to accept or refuse cookies. If you choose to reject cookies, you may still use our website though your access to some functionality and areas of our website may be restricted. As the means by which you can refuse cookies through your web browser controls vary from browser-to-browser, you should visit your browser’s help menu for more information.

In addition, most advertising networks offer you a way to opt out of targeted advertising. If you would like to find out more information, please visit <https://www.aboutads.info/choices/> or <https://www.youronlinechoices.com>.
