

Butterfly Kisses

Don't Cry for me, please don't be sad,
Hold on to the memories of the times we both had,
Don't dwell on dark thoughts, hold on tight to your wishes
Sending you hugs and butterfly kisses.

I walk beside you, I am there all day long,
I am right here but you think that I am gone,
You don't see me but I can see you,
What ever the problems are, I will see you though.

I am the wind in your hair, the sand in your toes,
Butterfly kisses that you feel on your nose
I am with you at sunrise and in sunset
But you cant see me is my one regret.

I sit right beside you when you are sad,
As you look through the photos of times we both had,
I watch you sleeping, I hold you so tight,
Before I go I kiss you goodnight.

I will watch you from heaven above,
Forever you will be my one true love
Hold on to your dreams and all your wishes
Sending you hugs and butterfly kisses.

Born in Lethbridge AB, on May 1st 1978 Jenn began her journey in life. She would become our beloved wife, mother, bonus-mother, daughter, bonus-daughter, sister, sister-in-law, niece and great friend to many! Jennifer Renae Marsh was raised alongside her brother Rod on a small farm within the outskirts of Lethbridge by her parents Ronald and Angie Gscheid. While growing up Jenn enjoyed farm life with country living, horseback riding and exploring with her brother Rod. In 1996, Jenn graduated from Kate Andrews High School in Coaldale with big aspirations for the future. Throughout her high school years Jenn worked hard at Dairy Queen, Ricky's Restaurant, and Walmart (in jewellery dept. where she was known as jewellery Jenn).

She later went on to become a teller at Canada Trust, where she started to gain a love for finance and enrolled in the University of Lethbridge. Upon completion of University Jenn received degree's in BA, B.Mgmt. Jenn then started in the roll of IRP (investment retiring planning)) were she would continue to work hard, making connections with people and clients. After a short period, Jenn found her love for helping people and worked her way up, eventually becoming an investment advisor for RBC DS. Throughout the following years Jenn completed and attained designations as a Professional Financial Planner / Chartered Investment Manager (CIM) and Certified Professional Consultant on Aging (CPCA). In 2015, Jenn was appointed as Vice- President within RBC DS. In 2017, Jenn's overachiever personality attained her the highest level of certification by the Canadian Securities Institute "Fellow of CSI" (FCSI) which is the highest honour and most senior credential in Canadian financial services. That same year she also received the "Certified Agricultural Farm Advisor" certification.

Through her connections within the community, Jenn was able to make numerous contributions and charitable donations to foundations close to her heart. CRH Foundation, Woods Homes, Cancer Society, Diabetes Assoc., St. Michael's Health Centre, University of Lethbridge and Lethbridge College along with countless, others throughout the community and province.

Although Jenn was extremely hardworking and dedicated to her clients she still found time to golf, ski, travel, make calls to friends and cook delicious family meals. On January 12, 2011 Jenn married her soul mate, Brad, on the island of Maui. With Jenn's welcoming personality and Brads likeable nature, the two were often seen engulfed with laughter among friends at functions and parties. Anyone who knew Jenn saw her eyes light up when she talked about her daughter Madison. The two shared a tight mother daughter bond just as Jenn had shared with her mother. Jenn was also blessed with a bonus daughter, Tayler and son in law James who she loved deeply. Jenn's natural ability to light up a room and put a smile on everyone's face created endless relationships and memories. She always remembered the small details of family, friends and clients lives as well as made everyone feel appreciated and special.

Jenn would hope we all carry on her legacy of generosity and kindness by continuing to donate and give back to a charity that is close to one's heart.
