

Lovingly Remembered

Tara Degenstein

July 30, 1954 — November 2, 2020

*"I look at the stars and feel I am part of something magnificent.
I don't understand it, but I am in awe."*

Tara Gay (Rhodes) Degenstein passed away on Monday November 2, 2020 in the Raymond Hospital at the age of 66.

She is survived by her husband Doran, sister Roxy (Larry Stevenson), son Jassen Wutzke (Holly), daughters Lisa Perlitz and Jody (Ross Edwards). She is also survived by eight grandchildren and one great-grandchild.

Tara was born in Lethbridge and attended school there (when she attended). Funny she should spend her last decades of work driving school buses and working in schools. Her last job was with Holy Spirit in Coaldale. She had many different jobs across southern Alberta. She was plucked off the mountain by helicopter twice, while cutting down trees. The job she loved the most was driving the horses and carriages for the many special events in and around Lethbridge and Medicine Hat.

Her family and friends were her greatest loves. Her next love was for her animals both big and small, eyes and no eyes. She will be remembered for her tenacity, her sense of humour and her work with her teams of draft horses and ponies.

Honoured to serve the family of Tara Degenstein
