

God Saw You Getting Tired

*God saw you getting tired
When a cure was not to be,
So He closed His arms around you
And whispered, "Come to Me."
You didn't deserve what you went through,
And so He gave you rest,
In His green pastures far beyond
Is really for the best.
For when we saw you sleeping
So peaceful and free from pain,
We could not wish you back
To suffer that again.
We will miss your love and guidance
Though we know it is not forever,
For in our hearts and God willing
Once again we will be together.*
