

I Believe In Angels

BY ABBA

I have a dream, a song to sing
 To help me cope with anything
 If you see the wonder of a fairy tale
 You can take the future even if you fail
 I believe in angels
 Something good in everything I see
 I believe in angels
 When I know the time is right for me
 I'll cross the stream, I have a dream
 I have a dream, a fantasy
 To help me through reality
 And my destination makes it worth the while
 Pushing through the darkness still another mile
 I believe in angels
 Something good in everything I see
 I believe in angels
 When I know the time is right for me
 I'll cross the stream, I have a dream
 I'll cross the stream, I have a dream
 I have a dream, a song to sing
 To help me cope with anything
 If you see the wonder of a fairy tale
 You can take the future even if you fail
 I believe in angels
 Something good in everything I see
 I believe in angels
 When I know the time is right for me
 I'll cross the stream, I have a dream
 I'll cross the stream, I have a dream
