## REMEMBERING

*Maggie*

Margaret “Maggie” Daniels passed away suddenly at home on Tuesday, July 23, 2019 at the age of 50 years.

She is survived by a dear friend, Rick Mackenzie Greive and her brothers, Derk (Debbie) of Taber, Jake (Cathy), Sheree Daniels and Gerald Meliefste of Lethbridge as well as many nieces and nephews.

Maggie was predeceased by her parents, Dirk & Jean, her sister, Juanette and her brother, Hank.

Maggie was born in Coaldale and lived her whole life in Southern Alberta. She attended Sunnyside School, R.I. Baker and graduated from Kate Andrews High School. Life for Maggie was about helping others, starting with working alongside her dad and mom in their catering business. Later she was able to carry this on helping and supporting her nieces and nephews in any way she could. Maggie had a generous and caring heart and would support you in any way she could. Her organizational skills led to management positions at Zellers, Linen & Things and lastly the Dollar Tree. Maggie had an eye for detail and loved to craft. She loved flowers, music and animals, especially Buddy the dog. She and Rick fed the birds in their yard and had a family of geese that came regularly to feed. Maggie was a willing helper and support for Rick's smoked salmon business, hoping that it would become a success. The last few years Maggie's health became steadily worse but she always tried to keep a positive attitude. Her favorite colour was purple and to honour her last request we ask that you wear something purple to her service, if possible.
