

A Letter From Heaven To Mommy

I know you had big plans
for me that won't ever come true;
But God's plans are greater and His
plans always come through.
I know you loved me then, as much as
you do now, but please don't cry for me
because I get to sleep in Heaven's Nursery now.
You see, this place is the perfect place,
for people just like me; I've made all sorts
of new-found friends and I got to meet some
that you already once knew;
Each day we laugh and play
while we wait on you.
Stay close to God while you live
and when it's your time to go,
I'll be there at the gate waiting to hold
you close to me just like God will also do.
