

# Life's Challenges

LIFE is complicated and presents many challenges for us to face.

Some of us seem  
to have more than others,  
but in the end,  
we are all on the same path.

The best way to handle the situation is  
THINK positive, stay STRONG and  
always remind yourself that you are a  
FIGHTER and you are  
up for the challenge.

A BRIGHT SMILE AND A CHEERY  
ATTITUDE certainly boosts a persons  
spirits and gives them HOPE AND FAITH  
to continue along this  
bump in the road.

Always remember that you  
are NOT alone  
as we are FIGHTING THIS FIGHT  
TOGETHER.
