

Farewell My Friends

*It was beautiful as long as it lasted,
the journey of my life.*

*I have no regrets whatsoever save the pain
I'll leave behind.*

*Those dear hearts who love and care and the
heavy-with-sleep ever-moist eyes, the smiles
in spite of a lump in the throat and the
strings pulling at the heart and soul.*

*The strong arms that held me up when my own
strength let me down, each morsel that I was fed
with was full of love.*

*At every turning of my life I came across good
friends, friends who stood by me
even when the time raced me by.*

*Farewell, farewell, my friends,
I smile and bid you goodbye.*

*No, shed no tears for I need them not.
All I need is your smile.*

*If you feel sad do think of me,
for that's what I'll like.*

*When you live in the hearts of those you love,
remember then...*

You never die.
