

## In Memoriam

When you feel as if I'm far away,  
just say a little prayer ...  
and though I can't be with you,  
please know how much I care.

Earth is not my home now,  
but my heart remembers you ...  
As the harvest moon shines brightly,  
you'll know just what to do.

Think of me with golden wings  
in flight across the sky ...  
With moonbeams dancing softly,  
evermore my soul to fly.

I'm safe with God in heaven,  
where all my dreams come true ...  
My spirit lives forever,  
and my heart remembers you.
