HENDERSON WHOPPER - Eight-year-old Billy Cousins, son of Mr. and Mrs. W. R. Cousins thought he had a hold of the bottom of Henderson Lake when this five-pound, 15 ounce rainbow hit Friday evening. In Loving Memory

Bill Cousins

April 19, 1960 - January 24, 2021

WILLIAM "BILL" DAVID COUSINS, soulmate and husband of Lily Lau-Cousins of 38 years, passed away suddenly but peacefully at the Chinook Regional Hospital, due to medical complications (unrelated to Covid) with his family by his side, on Sunday, January 24, 2021 at the age of 60 years.

Besides his wife Lily, Bill is survived by his sons Blake and Daniel (Tylyn) all of Taber; mother Becky Cousins; brothers Barry (Mary), Bob (Lois) and Bruce (Cathy); and sister Bev (Harry); father-in-law Chung Ken (Joe) Lau; sister-in-law Lila (Mike); brothers-in-law Allan (Allison) and David (Stephanie), as well as his aunts, uncles, cousins, nieces and nephews, all of whom were very special to him.

Bill was predeceased by his father William "Bill" Cousins and mother-in-law Yick Fuen Tsang Lau.

Bill was born in Edmonton, but grew up in Lethbridge where he had many longtime friends that he had shared numerous legendary adventures with over the years. Despite his struggles with mental and physical problems in his adult life, he still tried to be positive and made the most of it. He always cheered for the underdogs in life and in sports, and was always willing to help everyone he met. At a young age his Dad and his Granddad Stokes started him on his passion for hunting and fishing, which he passed along to his sons and to anyone else who wanted to learn.

Bill worked for the City of Lethbridge for years in various departments doing many jobs. For the last 25 years he had called Taber home, where he did deliveries for Paradise Gardens Restaurant and knew practically everyone in town. When he couldn't work or drive anymore the phone was his lifeline to the outside world. Thinking about his family and friends was always his first priority. Thank you to everyone for their time and patience for talking to him and making his day. He is now with his hunting and fishing buddies in the great beyond.

Bill, you will be greatly missed by all.

Thank you to Dr. E. Hardin for all her years of caring and patience; to Dr. I. Armstrong and Dr. A. Palma during the past few years; to the Psychiatry West and ICU staffs of the Chinook Regional Hospital for all their excellent care and kindnesses; and to many other various professionals too numerous to mention.

In memory of Bill donations may be made to a mental assistance association of your choice.
