

For years the mountains were where,  
Your soul felt most at peace.  
Your heart was most content,  
When staring at the peaks.

But then your Spirit came to rest,  
where Angels choose to roam.  
Once equipped with a pair of boots,  
you made yourself a home.

The sky became your lakes,  
The clouds became your grounds.  
And there for all eternity,  
you sit with friends around.

The tales you told about each hunt,  
Pure beauty and good times.  
Will live in memories for all of us  
as the days here go by.

Until we meet again one day,  
Upon gods gracious land.  
We will remember you no other way  
then with your love at hand.
