

TEACHER'S PRAYER

I want to teach my students how
To live this life on earth
To face its struggles and its strife
And to improve their worth
Not just the lessons in a book
Or how the rivers flow
But how to choose the proper path
Wherever they may go
To understand eternal truth
And know the right from wrong
And gether all the beauty of
A flower and a song
For if I help the world to grow
In wisdom and in grace
Then I shall feel that I have won
And I have filled my place
And so I ask you guidance, God
That I may do my part
For character and confidence
And happiness of heart

Lovingly Remembering

Anita Lanham

April 28, 1957 — June 20, 2023

ANITA LOUISE LANHAM, of Lethbridge, passed away at home on Tuesday, June 20, 2023 at the age of 66 years.

Due to complications with her diabetes, she left behind sister Monica Lynn Lanham, her niece Kayla Louise Lanham, and her nephew Kelsey Lynn Lanham. Including family in Belgium and Calgary as well as her honorary family, the Deering's family, Pat Hrynczuk, and the Bolstad family. She has joined her father, William Earnest Lanham and her mother, Stephanie Louise Lanham.

Anita was born in Calgary, on April 28, 1957. Anita was a school teacher; she started as a substitute teacher and years later became a full-time teacher in Pincher Creek, she then moved over to Huntsville for several years before retiring from Jenny Emery in 2022. The pride she took in molding the next generations was beautiful; she treated everyone like they were her own child. She would always go above and beyond to make sure everyone felt safe and inclusive in her classroom. The world would've been an entirely different place without Anita, and the light she brought with her every day was always carried over to her personal life as she had many lifelong friends and colleagues.

During her retirement, she was given the one thing she wanted most of all, her first puppy, the great Briar! She enjoyed walking with Sassy around Henderson so they could look at the ducks and geese, which she was hoping to continue to do with Briar. Kayla is proud to be the one to watch Briar grow old as she will get to keep a part of Anita alive for years to come, just as Anita did for Sassy; her late mother's Boston terrier.

She had many hobbies; crafting, quilting, cricketing, antiques, and many more. Anita's love for animals was inherited and was a life-long passion, as well as spending time with her loved ones.
