

God's Garden

God looked around his garden, and found an empty place.
He then looked down upon the earth, and saw your tired face.

He put His arms around you, and lifted you to rest.
God's garden must be beautiful, He always takes the best.

He knew that you were suffering, He knew that you were in pain.
He knew that you would never get well on earth again.

He saw the road was getting rough, and the hills were hard to climb.
So He closed your weary eyelids, and whispered "Peace be thine."

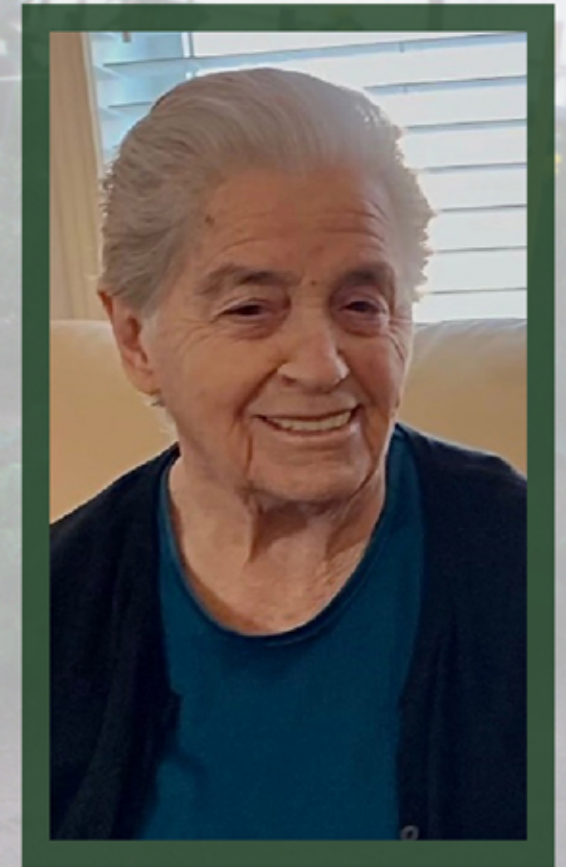

It broke our hearts to lose you, but you did not go alone...
For part of us went with you
The day God called you home.

Forever Loved

Angelina Ficur

June 26, 1936 - February 24, 2021

It is with great sadness and heavy hearts that we announce the passing of FILOMENA ANGELINA FICUR on Wednesday, February 24th at the Coaldale Health Centre, at the age of 84.

Angelina was born in Sessano Del Molise, Italy on June 26, 1936. She immigrated to Canada in 1958 and settled down in Readymade, Alberta before moving into Lethbridge. She is predeceased by the love of her life and husband of 55 years, Lino. She is also predeceased by her father, Emilio lafrancesco, her mother, Carmela lafrancesco (née Giacchetta), her brother Palmerino lafrancesco, her sister Antonietta Kern, brother-in-law Joseph Kern, brother-in-law Riccardo Ficiur, brother-in-law Giuseppe Antonelli, and nephew, Rob Kern. She is survived by her sister, Annina Antonelli, her nieces, Lina, Marilena, Juliana and Dora, and her nephews Dave and Mike, as well as her sister-in-law Iolanda Ficiur and nieces Esperanza and Cinzia in Italy. She is also survived by several other extended family members and many friends she made throughout her life in Italy and here in Canada.

Although Angelina never had children of her own, she loved kids and worked with them in Italy for several years. When she arrived in Canada, she began working as a nanny before getting a job at Catelli's in Lethbridge where she worked up until her retirement. She married Lino on July 29, 1961, and together they built three houses and remodeled a one hundred year old house. In between the builds and remodels, Angelina would often travel back to Italy with Lino to celebrate and reconnect with family whom she cared so much for, even with the great distance between them.

She will be sadly missed but fondly remembered for her love of gardening, her great fried chicken, and the care and compassion she showed towards everyone. She cared so deeply for all of her family and friends and always cautioned everyone to be careful and call her as soon as they were back at home safe so that she knew they were okay. She was also quick to offer you any kind of snack or drink she could when you visited to make sure you felt welcomed and cared for.
