

Lovingly Remembered

ROBIN HILLMER

AUG. 28, 1956 — AUG. 5, 2019

*"Goodbyes are only for those who love
with their eyes. Because for those
who love with their heart and soul,
there is no separation."*

— Rumi

Our beloved sister, aunt, mother, and friend, **Robin Hillmer** (née Reich), passed away on August 5, 2019, just shy of her 63rd birthday.

Robin was born August 24, 1956, in Weyburn, SK, the first of three children to John and Mildred Reich. As the older sister to her brother Craig and sister Jocelyn, she was fiercely loyal and loving. Robin spoke often of her parents and loved to reminisce in stories from her life. In spite of the challenges she faced, Robin always saw the glass half full. It was rare to see her without a smile on her face. She was quick to laugh and share in a joke.

She was predeceased by her parents, John and Mildred Reich, and survived by her siblings Jocelyn (Benjamin) Steinborn, and Craig (Deborah) Reich, and her nieces Liesl Steinborn, Caroline Steinborn and Alea Steinborn (Dylan Navratil).

Robin was a genuine, sweet woman whom we all loved deeply and will forever miss.
