

You're in a better place,
I've heard a thousand times
And at least a thousand times
I've rejoiced for you
But the reason why I'm broken,
The reason why I cry
Is how long must I wait to be with you

I close my eyes and I see your face
If home's where my heart is
Then I'm out of place
Lord, won't you give me strength
To make it through somehow.

I've never been more homesick than now
Help me Lord 'cause I don't understand your ways.
The reason why I wonder if I'll ever know
But, even if you showed me,
The hurt would be the same
'Cause I'm still here so far away from home.

I close my eyes and see your face.
If home's where my heart is
Then I'm out of place.
Lord, won't you give strength
To make it through somehow
I've never been more homesick than now.

In Christ, there are no goodbyes.
And in Christ, there is no end.
So I'll hold onto Jesus with all that I have
To see you again
To see you again

And I close my eyes and I see your face
If home's where the heart is
Then I'm out of place.
Lord' wont' you give me strength
To make it through somehow.

Won't you give me strength
To make it through somehow.
