

# MY MOTHER, MY ANGEL

BY KATHY J. PARENTEAU

Once upon a time an angel held my hand.  
She wiped away my tears and helped me understand  
Our time on Earth is brief; there are lessons to be learned.  
Each precious day God gives us, another page is turned.  
Every chapter full of memories, times of joy and tears,  
Triumphs and defeats, through every passing year.  
She loved us unconditionally, always by our side.  
When no one else would listen, in her we could confide.  
With gentle words of wisdom, she led us on our way,  
Down the paths of righteousness if ever we did stray.  
She saw the light in everyone and gave with no regrets,  
Always from her heart, let's not forget.  
Angels come in many forms; for me it was my mother.  
With love I cannot say in words there'll never be another.  
Every day I turn the page, in my heart will ever remain  
Everything she taught me as I stroll down memory lane.  
Thank you, God, for giving me the most priceless of all treasures.  
Help me, Lord, to keep alive her memory here forever.  
I pray that I can someday be everything she hoped I would,  
That she's smiling down from heaven knowing she did good.  
As we gather here today, there's no ending to her story.  
Another chapter has begun, full of grace and glory.  
God's called her to his heavenly home, part of his great plan.  
Although it may be hard, we all must understand.  
Faith is what is hoped for, things we cannot see.  
Heaven is promised to all of us if only we believe.
