

Life is a Journey

Life is a journey, each step potentially a different path. Sometimes the path we are walking is not the one we intended to travel, but it's the one we are on. Circumstances may have forced us onto it, and we must make the best of it, but through daily choices we can steer our lives onto a new and better path.

Help for our journey comes from different sources. As we walk, we draw strength from those who walk with us, as well as from those who have walked before us. Our path will build friendships and partnerships, some lasting a lifetime. We will connect with likeminded people in community and nourish each other in personal ways. At times we will seek refuge and at other times offer it.

Help also comes from God, who sometimes carries us when we do not have the strength within ourselves to take another step. We can rely on God's strength, and we can call on the Lord Jesus Christ to accompany us on our journey. In fact, He has laid out a path for each of us and part of our journey is one of discovery, searching out the path He has for us to follow. The Bible shows us the will of God. Sometimes the path that God chooses for us is filled with challenges, but He will give us the strength to walk it.

Life is a journey and we will walk it until the day we die. Those who walk God's path will live forever.

LOVINGLY REMEMBERED

Elsie Regier

MAY 1, 1934 - JUNE 5, 2019

Elsie Regier passed away peacefully with family at her side on June 5, 2019 at the age of 85 years. Elsie is survived by her children, Cheryl Regier (daughter-in-law), Joyce (John) Vermeer, Shirley (Dave) Wiens, Marilyn (Bruce) Beaton, Dave and Art (Bonnie Neufeld). She also leaves behind eight grandchildren and one great-grandson.

Elsie was predeceased by her husband William "Bill" and oldest son Ron. We celebrate with Elsie as she has gone to be with her beloved Savior and Lord. She received Jesus as her Savior in her teens and was also baptized at that time. A verse that held much meaning for her was John 1: 12:

*"But to all who received Him, to those who believed in His name,
He gave the right to become children of God."*

Elsie wanted many people to hear of her precious Savior and she often donated to the Gideons. She wanted all her children and their spouses to know her Savior. She also wanted her grandchildren to love Jesus so she asked each one of them if they had received Christ as their personal Savior.

For many years Elsie enjoyed selling Tupperware, health products and helping many people through massage and reflexology. She set up her own business in 1978 called the Better Health Centre which she successfully operated until 2013. She was really proud when she bought her own van for the business. Elsie also loved roses and shared many from her garden with family and friends. Elsie suffered from strokes in her later years which made it increasingly difficult for her to operate her business and do life on her own, so in 2014 she moved into Fairmont Extendicare. When we went to visit her, she would often hold up her finger and point upwards and say, "I want to go home." Now she is home with her Savior and Lord.

*Both sunset photos were taken the evening that Elsie passed away
and reminded us of Heaven where she is now.*
