

DO NOT STAND AT MY GRAVE AND WEEP

Do not stand at my grave and weep.

I am not there. I do not sleep.

I am a thousand winds that blow.

I am the diamond glints on snow.

I am the sunlight on ripened grain.

I am the gentle autumn rain.

When you awaken in the mornings hush,

I am the swift uplifting rush

of quiet birds in circled flight.

I am the soft stars that shine at night.

Do not stand at my grave and cry;

I am not there;

I did not die.

Forever Remembered

Nadia Edith Campbell

November 25, 1941 - March 20, 2021

NADIA EDITH CAMPBELL passed away at the age of 79 years after a long and valiant battle with Parkinson's Disease.

The suffering is finally over. She will be sadly, but lovingly, missed by her family and numerous friends. She will be remembered as a wonderful wife, mother, grandmother, great-grandmother and friend.

Mourning her passing are her husband Bob, children Rob, Gilf (Tomomi), Doug, Heather Roest (John), Dora Dayton (Troy), Emily (Stephan), Bruce (Amy) and a special family member Joy Snyder.

She was predeceased by her daughter Sarah, Parents William and Emily Kozak, brother Robert and sister Zoya. She dearly loved her grandchildren Samantha, Haley, Bella, Jo-Jo, Wyatt, Bailey, Tyson, Max, Stone, Odin, Oshyn and great-grandchildren Laker, Jasper, Faith, Aurora and Kayden.

Nadia was born in Moose Jaw, SK where she attended elementary and high school. She was active in band, basketball and the "Y". She studied piano and won first place in saxophone solo competition at the Moose Jaw International Band Festival. She attended Teacher's College in Regina where she played in the college dance band and where she met the love of her life, Bob. After marrying Bob in 1962, a life of adventure and service ensued. Throughout their married life Nadia and Bob lived in various communities including Regina, Yellowknife, Vermilion, Cardston, Del Bonita and finally, for the past 41 years, Lethbridge. In each community she made a difference: In Yellowknife helping set up the first YM/YWCA and coaching figure skating. Since settling in Lethbridge, besides running a day home for preschoolers, teaching piano and having a 20-year career as a massage therapist, she organized Lethbridge's first Rhubarb Festival, played saxophone in the community band, participated in the Raging Grannies, the Harambee Grandmothers, was a LSCO Board member, wrote stories for the grand kids and loved karaoke.

All that aside, she will be remembered as a fun-loving wife, mother, grandmother, great-grandmother and friend who loved to blow bubbles, always putting the needs of others ahead of her own.
